## HYDROXYPROPYL METHYLCELLULOSE + GLYCERIN + DEXTRAN 70 OPHTHALMIC SOLUTION

### COMPOSITION

Hydroxypropylmethylcellulose IP 0.3% w/v, Glycerin IP 0.2% w/v, Dextran 70 IP 0.1% w/v, Water for Injections IP q.s.

### Other Ingredients:

Calcium Chloride IP, Magnesium Chloride IP, Potassium Chloride IP, Erythritol USP/NF, Levocarnitine IP, Sodium Chloride IP, L-Glycine IP, Lecithin IP, L-Glutathione USP, N-acetylcarnosine

### INTRODUCTION

LIKETEARS PLUS Lubricant Eye Drops provides soothing relief for dry eye. LIKETEARS PLUS contains a unique formulation which contains factors correcting and treating all the layers of the tear film and has no preservative. Therefore it is very safe even for long term use.

Levocarnitine IP, N-acetylcarnosine, L-Glutathione USP are amino acids and tri-peptides which provide nutrition to the cornea through the mucous layer of the tear film and help in strengthening the mucous layer.

Hydroxypropyl Methylcellulose + Dextran 70 is the unique combination of ingredients in LIKETEARS PLUS eye drops work together to retain moisture on the eye & mimic your natural tears.

Lecithin IP is an essential phospho-lipid which is present in human cells and helps in stabilizing lipid layer of the tear film and helps in reducing the evaporation of tears from the eye surface.

Glycerin IP, Erythritol NF are emollients and help in moisturising the corneal surface and avoiding friction with eyelids as well as stimulate the lacrimal gland to produce more tears.

Sodium Chloride IP, Potassium Chloride IP, Calcium Chloride IP, Magnesium Chloride IP are electrolytes present in the normal human tears and are needed to maintain the osmolarity of the human tears.

### INDICATIONS

For relief of burning, irritation, and discomfort due to dryness of the eye mainly due to evaporative dry eye syndrome.

### DIRECTIONS

Instil 1 or 2 drops in the affected eye(s) as needed. If irritation persists or increases discontinue the use and consult your doctor.

## WARNINGS

To avoid contamination, do not touch dropper tip of the container to any surface. Replace cap after using.

## SIDE EFFECTS

When used as directed, no significant side effects are anticipated. Some patients may experience a transient hazy vision for a few minutes after instillation.

## PACKING

LIKETEARS PLUS Lubricant Eye Drops (Preservative Free) are available in 10ml plastic dropper vials which are specially designed to avoid contamination due to non sterile air or other causes.

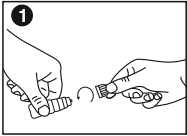

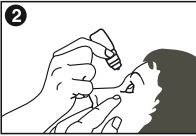

## STORAGE :

Store below 25°C in dry place. Protect from light.

## MEDICINE :

Keep out of reach of children.

Use the solution within one month after the opening the container.
