

Bilberry Extract, Pine Bark, Lutein, Astaxanthin, Zeaxanthin with Essential Vitamins & Minerals Tablets

INTRODUCTION ABOUT OXIVISION TABLET

OXIVISION Tablet is a nutritional supplement used in adults to lower the pressure in the eye and boost overall eye health. It contains bilberry extract and pine bark extract as active ingredients that helps to enhance overall functioning of the eye. Bilberry extract might oppose the increased permeability of blood capillaries and pine bark extract may improve the lining of blood vessels, thus lowering the overall blood pressure. Take OXIVISION Tablet exactly as advised by your doctor. Do not exceed more than the recommended daily dose. Ask your doctor before giving it to pregnant women, breastfeeding women, infants, children, adolescents and elderly.
